

## SAINT MARIANNE COPE SCHOLARSHIP

More than 125 years ago, Saint Marianne Cope brought the sisters of Saint Francis from Syracuse, New York to Hawai'i. Although many communities had been asked, she was the only religious woman brave enough to answer the call to work with the people with Hansen's disease on Kalaupapa. Saint Marianne promised that none of her sisters working on Kalaupapa would ever contract the dreaded disease. Today, the sisters still live and work with the people on Kalaupapa and to this date none have contracted the disease. The Saint Marianne Cope Scholarship is supported by endowment funds and the fundraising of the Sisters of Saint Francis.

Each year, a committee selects one student who will be entering the ninth grade for this scholarship. The qualifications are: 3.5 or better semester GPA, involvement in extracurricular activities, 50 hours of community service each year and exemplary behavior. Recipient will receive this scholarship every year as long as the student maintains these high standards. The annual scholarship is for \$1,000.00.
